

MARION POLICE DEPARTMENT

2022

ANNUAL REPORT I am proud to present this Annual Report on behalf of the dedicated men and women of the Marion Police Department. Our Command staff has worked hard to prepare this report, which includes relevant and accurate highlights and activities of calendar year 2022. We hope you find the information to be beneficial.

Our department continues to look for ways to improve our overall service to the community by combating crime in our neighborhoods through training and enforcement, staying involved in community projects and business development, and working with other agencies in a combined effort to provide a safe and stable environment for all who live, work, and play inside the City of Marion. Our Leadership has remained vigilant in allocating resources as effectively and efficiently as possible. Our weekly Command Staff meetings allow us to discuss the most significant current issues and encourage us to continue looking forward in constant improvement. We are trying to work smarter in everything we do.

The men and women of the Marion Police Department are proud to be a part of the City of Marion and will continue to work hard to provide the highest standard of law enforcement and customer service to its citizens.

We thank you for the opportunity to serve and look forward to another successful year.

- Corporal Ethan Wyatt was voted Officer of the Year by fellow department members.
- Officer Breanna Toney returned to light duty after recovering from her serious motor vehicle crash.
- The 5th Annual Citizens' Police Academy was held after being postponed due to COVID.
- The Department welcomed Johan Ayala as our newest Police Officer.
- Caleb Duyck moved to Criminal Investigations as a General Investigator.
- SRO Rodriguez began his position at McDowell Technical Community College.

- Corporal Melissa Suttles was promoted to Patrol Sergeant.
- Sergeant Jerry Lewis won the Top Gun Award, scoring a perfect 100 on all Firearms.
- The following Officers achieved the Expert Firearms Award with a score of 93% or better:
 Sgt. Zach Wilson, Cpl. Ethan Wyatt, Ofc. Josh Maddux,
 Sgt. Jerry Lewis, Ofc. DJ Barrier, Lt. Jamie Harklerode
 SRO Eric Rodriguez, Det. JC Cyr, Det. Caleb Duyck.
- The Division Champion Belt was presented to C-Line for their overall high score during firearms training.
- Sgt. Lewis completed the WNC Law Enforcement Leadership Academy

Communications Center

This data represents the data entry, radio call, dispatch and telephone interactivity responsibilities for the McDowell EMS, McDowell Rescue Squad, McDowell County Sheriff's Office, Marion Police Department and 11 County/City Fire Departments. The Communication Center Plays a vital role to the citizens of the City of Marion, McDowell County, Town of Old Fort, and every Department they serve.

| Calls Received by Center | | | | | | | |
|-----------------------------|--------|--------|--------|--------|--|--|--|
| | 2019 | 2020 | 2021 | 2022 | | | |
| Calls For Service | 88,401 | 86,758 | 89,671 | 84,911 | | | |
| 9-I-I Calls | 31,696 | 21,764 | 23,793 | 31,493 | | | |
| Processed CAD Police Calls | | | | | | | |
| Police Service Calls | 23,860 | 21,987 | 24,271 | 22,499 | | | |
| Property Checks Conducted | 4,758 | 4,252 | 5,128 | 3,446 | | | |
| Special Checks Conducted | 323 | 298 | 171 | 48 | | | |
| Utility Calls | 64 | 26 | 22 | 19 | | | |
| Follow-Ups | 835 | 848 | 2,249 | 749 | | | |

Special Checks are conducted for businesses and residences who express a special need for increased security.

Property Checks are conducted for vacationing property owners and businesses. Auxiliary Entries include, but are not limited to, training, meetings, parking enforcement, special duties, and court.

National Night Out is an event hosted and coordinated by the Marion Police Department each year. This event is 100% free and is a great opportunity for Officers, Citizens, and our numerous partners to interact, build relationships and enjoy a night of fun.

In 2022, we partnered East Marion International Pentecostal Holiness Church to assist residents of the community with the abilities to obtain an identification card through FaithAction ID Program. The FaithAction ID provides card holders with a verifiable form of identification that can be used as a tool by law enforcement, health centers, and other entities to better identify, serve and protect them.

Members of the Department participated in Shop with a Hero. This event is funded by proceeds earned from sales of the Department calendar, as well as a partnership with Nebo Crossing Church. This past year we served 45 children, helping to give them an enjoyable Christmas.

The 5th annual Citizens' Police Academy was held in 2022. Participants met weekly, beginning in early spring of each year. A wide range of topics are covered in the program which include: Patrol Operations, Crime Prevention/Community watch, 911 Communications, Traffic Enforcement, Criminal Investigations, Narcotics, Defensive Driving and Firearms. This academy allows our agency to be transparent, dispel myths surrounding law enforcement, and build partnerships with the community we serve.

The Marion Police Department is proud to partner with the Marion East, and West Marion Community Forums. Attending meetings and hearing concerns from the communities is very important to our mission. Creating a transparent relationship between our agency and the community we serve.

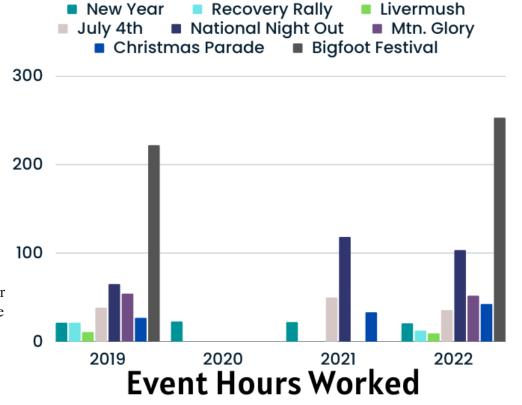

Officers are also involved in activities that are in addition to their regularly assigned responsibilities and outside of their current work schedules. The Majority of these activities consist of city sponsored events

such as Mountain Glory, Christmas Parade, City Sidewalk Yard Sales, and New Year's Eve Event.

Peacekeeping missions that are funded through private parties such as McCleod Center, Walmart and other various organizations pay for offduty police services, and are critical to the overall management of police activities and resources. Without their assistance, our on-duty staff would often be overwhelmed with calls for service.

Special Event Hours

| EVENT | 2019 | 2020 | 2021 | 2022 |

| September | Highway 70 East | Head on Collision | Yes |
| November | Leach Street | Vehicle vs Pedestrian | Yes |

The Criminal Investigations Division is comprised of one Lieutenant, one Sergeant, one General Crimes Investigator, and two Narcotics Investigators, The division also encompasses, four School Resource Officers, one departmental Training Coordinator, one Ordinance Enforcement Officer, as well as the Administrative Assistant.

Investigators specialize in white collar crime, cybercrime, property crime, crimes against persons, sex crimes, and narcotics related crimes. Many investigations are lengthy and time consuming and force investigators to manage heavy caseloads with sometimes minimal resources. Over the past year, Marion Police Detectives have worked closely with numerous agencies to meet the obligations and responsibilities of their assignment, including:

- Federal Bureau of Investigation
- United States Secret Service
- United States Postal Inspector's Office
- United States Immigrations and Customs Enforcement Agency (Homeland Security)
- United States Attorney General's Office
- North Carolina State Bureau of Investigation
- North Carolina Army National Guard

Investigators were heavily involved in organizations and groups throughout the City of Marion during the year in an effort to improve the quality of life for its citizens. Investigators were routinely involved with:

- McDowell County Department of Social Services
- McDowell Mission Ministries
- North Carolina Criminal Information Exchange
- McDowell County Child Advocacy Center
- As well as several other civic, school and church based organizations

Investigators and Patrol Officers work together to address criminal activity within the City of Marion. They continue to work towards effective communication both inside the agency and with the public. They regularly coordinate with local media to recognize important crime trends and implications, as well as offer ideas for preventing future incidents.

Case Assignment Statistics

| Calibrated Voice Stress Analysis (CVSA) | 9 | 5 | 0 | 3 |

At a time when illegal synthetic drugs have captured the spotlight, the opioid epidemic is still an issue that impacts victims and their families. In an effort to help address these continued problems, the Marion Police Department along with the McDowell County Sheriff's Office provide pill drop boxes in their lobbies. These boxes are a free opportunity for citizens to dispose of their unneeded or expired medicines. We also participate in Medicine Take-Back Operations that allow for medication drop-off and disposal as well. Collecting amounts have steadily decreased due to pro-activity and education related to prescription medications.

Once medications are collected from either the drop boxes and or the Take-Back Operations, proper disposal is needed. Collected medications are sealed in a secure metal container, transported by law enforcement officers to an approved facility where they are destroyed. Thus, no longer available for illegal activities, misuse, or distribution.

Medicine Take-Back Operations and Drop Box Collections

200 Pounds

| Year | Cocaine Powder (GR) | Crack Cocaine (GR) | Marijuana (GR) | Meth (GR) | Pills (DU) | Heroin (GR) |

| 2022 | 99.6 | 5.5 | 71,922.25 | 3671.6 | 462 | 104.79 |

The Narcotics Task Force is a combined team of members from the Marion Police Department, McDowell County Sheriff's Office, and the North Carolina State Bureau of Investigations. This team works together on investigating drug violations and other drug related crimes. Many times, cases begin with a simple tip or phone call from a concerned resident. Sheriff Ricky Buchanan, Chief Allen Lawrence, and all the men and women that make up this task force, are dedicated to making an impact on sale use and distribution in Marion and McDowell County.

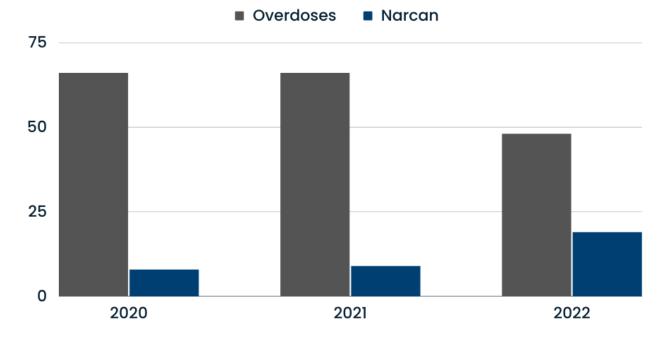

Narcotics Task Force (MPD, MCSO, NCSBI)

| | 2019 | 2020 | 2021 | 2022 |
|-------------------------------|-----------|-----------|-----------|-----------|
| Arrests | 24 | 122 | 88 | 27 |
| Illegal Narcotics Seized | \$367,540 | \$405,262 | \$349,400 | \$259,883 |
| Vehicle Seizures | 1 | 0 | 0 | 0 |
| Total Joint Investigations | 46 | 184 | 55 | 89 |

Due to the increase in Fentanyl use, the rate of overdoses and Naloxone (Narcan) administration has increased. A recent study by the Center for Disease Control (CDC) estimates that in October of 2020-October of 2021, more than 105,000 Americans died of drug overdoses, with 66% of those related to Fentanyl. To help combat this, all Marion Police Officers are CPR certified as well as Narcan certified. Narcan has been called at times the "Miracle Drug" because of its ability to rapidly reverse an opioid overdose. Each officer is equipped with Narcan at all times, to be prepared for quick life saving actions in the event of an overdose.

OVERDOSES & NARCAN ADMINISTRATIONS

In 2022, there were **173** overdoses in McDowell County with **167** Narcan Administrations. The Marion Police Department responded to **48** overdose calls in the city limits, and recorded **19** saves by Narcan Administration.

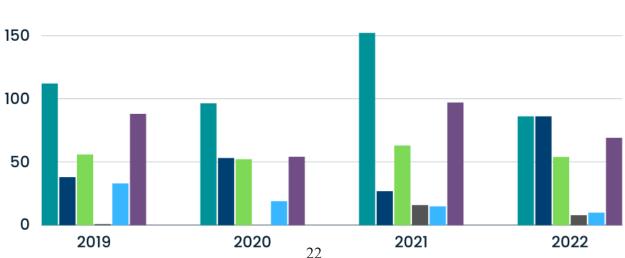

As of 2022, all schools in the City of Marion have full time School Resource Officers staffed by the Marion Police Department. The City of Marion and the McDowell Board of Education work in partnership with the State of North Carolina to provide state funds to cover a portion of the salaries of the SRO's.

Responsibilities of the SRO's include: Investigation of criminal activities and incidents; Renforcement of laws; traffic control; campus parking control; teaching law related education; coordinating the security for school events; interacting with faculty and students to promote mutual respect between the school and law enforcement; and providing counseling for personal, scholastic, family, or law related problems.

SCHOOL RELATED CALLS FOR SERVICE

200

In 2022, SRO Eric Rodriguez became the School Resource Officer for the McDowell Technical Community College, which includes McDowell Early College and McDowell Academy of Innovation. This position is in addition to the campus security staff, provides a full-time sworn officer as well. To assist with costs for the position, the college was awarded a \$22,5000 grant from the Marion ABC Board.

The Jeanna Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (Clery Act)

The Clery Act is a consumer protection law that aims to provide transparency around campus crime policy and statistics. There are 7 criminal topics covered under this act that we are required to track and report.

- Murder/Non Neglect Manslaughter/Neglect Manslaughter
- Sex Offenses
- Robbery
- Burglary
- Aggravated Assault
- Motor Vehicle Theft
- Arson

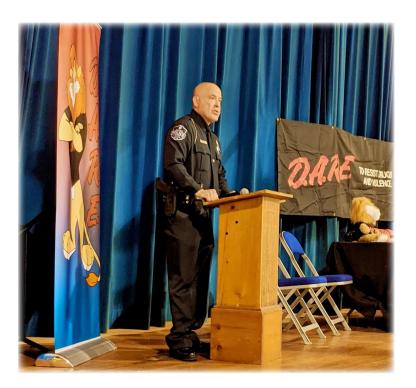

No crimes in these categories were committed on MTCC Campus in 2022.

In addition to the above requirements for reporting, the Marion Police Department provides yearly calls for service to the Community College. During 2022, our agency responded to MTCC on 69 different occasions for various incidents (Motor Vehicle Crashes, Welfare Checks and Keys Locked in Vehicle, etc.).

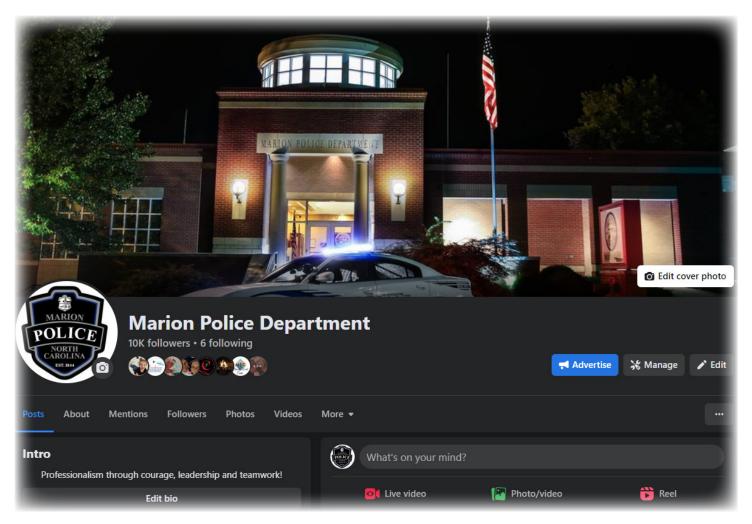

DARE stands for Drug Abuse Resistance Education. The program is 10 weeks long and covers a variety of topics that students can use to make good choices as they begin to transition into Middle School and beyond. The DARE curriculum has been revised from the program of the 80's and 90's. The old program was shown to be somewhat ineffective in reducing drug use among young adults. The new revised edition focuses on coping skills, assessing risk, support networks, and emotional and mental health topics. All the while, still addressing peer pressure and drug use. Several controlled studies of the new DARE curriculum have shown a reduction in student drug use compared to peers who did not participate.

Each year, our School Resource Officers teach this new revised DARE Program to the 5th grade classes in Marion Elementary and Eastfield Elementary Schools. Our focus is to meet all the goals of the DARE Program, mentor students, and develop long lasting relationships. In 2022, SRO Hensley and SRO Padgett taught a combined **20** hours of DARE in both elementary schools totaling **78** students.

The department utilizes Facebook and Nixle as ways of notifying the public of emergency situations. The platforms have also served as educational tools for traffic safety, and have allowed citizens to assist the agency with identifying possible offenders. On a positive note, Facebook has also been utilized as a way to showcase agency accomplishments and awards. In 2022, the department had over 10,000 followers.

This report should serve to document and describe the department's in-service educational activity by providing a list of training conducted and the hours involved.
